In checking with credit report agency, we are looking to confirm the completeness and accuracy of information you have provided on your application form. Where the Privacy Act applies, we can only give information about you to a credit reporting agency if we have first tell you that we will do so, and we can only obtain information about you from a credit reporting agency if we have your consent.

Personal Information Quality

Our goal is to ensure that the personal information we hold is accurate, complete and up- to- date. Please contact us if any of the details you have provided change. Please also contact us if you believe that the information we have about you is not accurate, complete or up- to- date. We may take steps to update personal information, for example, an address, by collecting personal information from publicly available sources, for example, telephone directories or electoral rolls.

Personal Information Security

We strive to ensure the security, integrity and privacy of personally identifiable information of our customers. We use a variety of physical and electronics security measures including restricting physical access to our offices and firewalls and secure databases to keep personal information secure from misuse, loss or unauthorized use or disclosure.

Direct Marketing

From time to time, we would like to provide you with information about products and services that we believe maybe of benefit or interest to you. You may, if you wish, indicate that you do not want to receive information on products and services offered by us:

- Telling our customer service operator when authorizing our privacy policy; or
- Contacting us at any time to indicate that you wish to ‘opt out’ of receiving such information.

Access to Personal Information

You can request us to provide you with access to personal information we hold about you. An access charge may apply, but not to request itself. The charges for the time we spend for locating, collating and explaining the information you request (generally based on rates of % 50 per h our or part thereof) plus any photocopying costs and out of pocket expenses (such as freight and traveling costs).

Responding to an access request

We will respond to your access request as soon as possible. We will endeavor to comply with your request within 21 days of its receipt but, if that deadline cannot be met owing to exceptional circumstances, you request will be dealt with within 30 days. It will help us provide access if you can tell us what you are looking for. Your identity may be confirmed before access is provided.

Request may be denied o r limited

If particular circumstances apply, we are permitted by the Privacy Act to deny your request for access, or limit the access we provide. We will let you know why your request is denied or limited. For example, we may give an explanation of a commercially sensitive decision, rather direct access to evaluative information connected with it.

When we hold your personal information in conj unction with that of another individuals (e.g. where you jointly conduct an account), we will allow each individual access to their own personal information and to the joint information out not to the personal information of the other individuals(s).

Further Information

Please contact us to ask for access to your information or if you have complaint concerning your information privacy or if you would like more information about our approach to privacy,

- In writing, at P.O.Box 370, Minto Mall, Minto, NSW –2566.
